ANNOUNCEMENT

The Hermon Neighborhood Council (HNC) has funds available for the Neighborhood Purpose Grant (NPG) program.

The NPG process provides Neighborhood Councils with greater opportunity to benefit their communities while supporting and building partnerships with local organizations.

Eligible organizations include 501(c)(3) non-profits as well as public schools. The Hermon Neighborhood Council particularly encourages applications from organizations whose work directly benefits the community of Hermon, tangibly works towards a racially-equitable Los Angeles, or helps those in need due to Covid-19.

Note that the grants cannot be issued to religious organizations or to private schools.

The HNC plans to award grants in the amount of \$3,000 or less each. Please be specific about your budget and needs, and have a plan in place if your organization is selected but receives only partial funding.

Please visit the following link and look for the Neighborhood Purpose Grant section. There you will find the Applicant Information Package and the NPG Application.

Applications must be submitted to info@hermonnc.org no later than 5 p.m. on Tuesday, August 25th, 2020. If chosen as a finalist, your organization may be selected to present your proposal at the next Hermon Neighborhood Council General Board Meeting on Thursday, September 10th, 2020 (a representative of your organization must be present to be awarded an NPG), which will take place via Zoom.
